

Live Concert Outing

Large-scale concert festivals are a blast, but if you can't make it to one, you don't need a mega-music-festival to enjoy some family-friendly music performances. Hit up outdoor venues near you to appreciate how good live music sounds in the open air.

Questions:

1. What is your favorite genre of music?
2. What band or group do you wish you could see live?
3. Do you have a favorite worship song? Why is it meaningful to you?
4. Is there anything that you wish we did more often together as a family?
